

Dear Microsoft Certified Professional:

Congratulations on your recent accomplishment -- achieving the Microsoft Certified Professional + Internet certification.

As a Microsoft Certified Professional with a specialty in the Internet, you are recognized and promoted by Microsoft as an expert with the technical skills and knowledge needed to design, implement, and support solutions with Microsoft products. This packet contains tools you need to identify your Microsoft Certified Professional status to colleagues and clients - a Microsoft Certified Professional + Internet certificate and logos.

For the latest information about the Microsoft Certified Professional program, please visit the Microsoft Certification Online Web site at <http://www.microsoft.com/mcp>. Our worldwide e-mail address is mcp@msprograms.com. For a listing of Training and Certification Customer Service Centers inside and outside the U.S. please see http://www.microsoft.com/Train_Cert/resc.htm.

We look forward to helping you succeed as a Microsoft Certified Professional!

Sincerely,

The Microsoft Certified Professional Team
