CERTIFICATE OF APPRECIATION-  
NATIONAL DEFENCE CHARITABLE CAMPAIGN

Thanks to the energy, enthusiasm and hard work of its organizers and canvassers, this year's National Defence Charitable Campaign has been extremely successful, raising more than \$1,000,000. The ADM (Fin CS) Group had an equally successful campaign and raised over \$60,000 well surpassing its goal.

Your personal contribution to this success was very important and I thank you most sincerely for the time and effort you devoted as a canvasser. As a direct result of the work of you and your colleagues, the Defence Team this year has been able to make a very significant investment in the strength and vitality of our community and our country.

I place a high value on the vision, dedication and commitment shown by people like you, who are willing to go beyond the normal requirements of their jobs in order to try to make our workplace and our community better. Your contribution to the Campaign is highly appreciated by my management team in ADM (Fin CS), along with the CDS and DM. Enclosed you will find a certificate of appreciation to recognize your valuable service.

Again, I would like to thank you and relay my heartfelt appreciation for a job well done.

R.G. Monette
