Object: Recommendation Letter - George Skokos

To whom it may concern,

It is with pleasure that I write this letter of recommendation for Mr. George Skokos. While at the employment of RHEA Technologies Lab Inc. (RHEA), this as of October 4th, 2018, Mr. Skokos services were retained in the capacity of System's Engineer and, subsequently, as IT Systems Administrator. Mr. Skokos area of specialization concerned security engineering projects performed for the benefit of RHEA's clients and internal applications development activities.

Mr. George Skokos was recognised for his organizational leadership qualities, his acute capacity to synthesise and address complexed software related matters. He is a personable and committed employee who reliably performed his responsibilities to the best of his ability. Mr. Skokos profound and thorough technical knowledge allowed for him to be versatile in the duties required.

Mr. Skokos is a very dedicated, sincere and professional individual. Mr. Skokos applies discretion and professionalism at all times. Once provided with the course of action required and expected from him performing his responsibilities, Mr. Skokos required minimum supervising, a demonstration of his expertise acquired throughout his career.

We value Mr. Skokos knowledge and expertise and we can only encourage you to seriously consider Mr. George Skokos to join your organisation in a technical role that would best support your requirement.

Sincerely,

A handwritten signature in black ink, appearing to read 'Christian Couture', is written over a large, faint red watermark that says 'skokos.com'.
